

A DECADE OF IMPACT. A DAY OF PURPOSE.

ADOWA ANNUAL CHARITY GOLF DAY 2026

**FRIDAY
06 NOVEMBER 2026**

**VENUE:
COPPERLEAF
COUNTY CLUB**

Dear Valued Partner,

As Adowa Property Developers celebrates 10 years of innovation, growth, and leadership, we proudly reflect on a decade of specialising in the investment, development, and management of high-quality, affordable student housing communities across South Africa. To mark this significant milestone, we are delighted to invite your organisation to participate in our Annual Charity Golf Day on **Friday, 06 November 2026. Venue at COPPERLEAF COUNTY CLUB.**

Over the past decade, Adowa has grown through the support of valued partners, stakeholders, and communities who share our vision of creating spaces that enable student success. As we celebrate this milestone, our Annual Charity Golf Day brings together business leaders, clients, partners, and friends for a day of golf, networking, and giving back in support of a cause close to our hearts:

“Extending a Compassionate Hand to the Missing Middle.”

As developers and managers of student accommodation nationwide, we witness firsthand the challenges faced by students who fall within the “missing middle”—those who do not qualify for NSFAS funding but are unable to afford tuition and accommodation on their own. Funds raised through the Golf Day will provide bursary support to deserving students, creating opportunities that change lives while allowing your organisation to champion education, empowerment, and sustainable development.

A detailed bursary package is attached for your consideration.

To confirm your participation or obtain further information, please contact:

Nozuko Matshoba

Email: events@adowa.co.za

Tel: +27 12 111 1630

We would be honoured to have your organisation join us in celebrating this milestone while making a lasting difference in the lives of deserving students. Together, we can create opportunities, strengthen communities, and invest in South Africa's future.

Yours sincerely,

Adowa Property Developers
